Welcome to Our State

[www.emcon2018.org](http://www.emcon2018.org)

Dear Friends,

The Society for Emergency Medicine India (SEMI) was started in 1999 with a primary motive of spreading Emergency Medicine across the Nation which will benefit the patients visiting Emergency Departments thereby decreasing the mortality and providing them International care.

The Society conducts its flagship conference as EMCON every year to bring in expertise from all over the world to share their Scientific knowledge and the skills. EMCON provides a perfect platform to share and impart knowledge amongst all the delegates and especially the Residents to showcase their Research activities, projects and case discussions.

I wish all the delegates, National and International Faculties, EMTs and the Organizing committee a great Scientificfiesta

**Dr Hari Prasad.K**  
SEMI Executive Chairman

Dear Emergency Physicians, Emergency Paramedics, Emergency Nursing fraternity and other colleagues of Emergency Medicine

The Society for Emergency Medicine India(SEMI) is the largest represented body of Emergency Medicine in our Country and a full member of International Federation of Emergency Medicine is organizing its prestigious 20th Annual Event on Emergency Medicine – the flagship conference EMCON 2018 at Bangalore, Karnataka India under the SEMI Karnataka Chapter from November 15th to 18th 2018.15th November 2018 will be for the Pre Conference Workshops and the Scientific fiesta with various research projects from 16th to 18th November 2018.

**The theme of the conference is Consensus, Advances and Innovations.** It aims to bring in the field of Emergency Medicine an agreement for universal emergency care by bonding our unique needs with the progresses made. The Conference aims to provide participants working in Emergency Medicine a platform to come together and corroborate to evolve the National guidelines and to stay ahead in our knowledge and skills to match the International standards and thereby aiming to provide universal agreement of guidelines in India in Emergency Medicine

On behalf of the Society for Emergency Medicine India (SEMI), it is a pleasure and privilege to invite you to the 20th Annual National Conference on Emergency Medicine EMCON 2018 to be held in Bengaluru, Karnataka from November 15th to 18th, 2018.

Emergency Medicine is developing at a fast pace in India, establishing a solid foundation in clinical medicine is very vital. A series of diverse pre-conference courses and workshops in the applications of emergency medicine are scheduled. The program activities shall be led by experts and distinguished speakers from different leading institutions worldwide. Our audience includes Emergency Physicians and nurses, Acute Care specialists, Anaesthesiologists, Intensivists and other healthcare professionals. It is a complete event for everyone from healthcare.

On behalf of SEMI I wish the Organizing Committee of Karnataka Chapter a huge success. It will be a pleasure for us to invite you to this intensive academic discussion in a stimulating atmosphere. In addition to attending the congress, you will have the opportunity to see Bengaluru - an experience that combines beauty and hospitality in equal measure. It is our privilege and honour to invite you as a faculty for EMCON 2018.

Our planning, hopes & expectations can only be fulfilled by your active participation.

I on behalf of SEMI board, SEMI Karnataka chapter and all the SEMI members are looking forward to your participation in making this event a grand success.

**Dr Imron Subhan**
