

# Ventricular Fibrillation

AHMAD WAZZAN, MD

ASSISTANT PROFESSOR OF EMERGENCY MEDICINE, KSAU-HS

PRESIDENT, SAUDI SOCIETY OF EMERGENCY MEDICINE

# Have you seen one?

# What is V.F ?

- ▶ It is a non perfusing rhythm
- ▶ Sudden cardiac death
- ▶ It needs intervention
- ▶ Terminal Arrhythmia

# Why it is important?

- ▶ Reversible arrhythmia (not the cause)
- ▶ SCD reduction
- ▶ AED

# How to treat?

- ▶ Chest compression
- ▶ Electricity (ASAP)
- ▶ Medications
- ▶ Revascularization

Thank you
