

potential or real conflicts of interest. **Conference Learning Outcomes** To provide the participant with updates on the latest developments, recent evidence and best practice in the fields of fields of disaster medicine, infectious disease and trauma surgery in the context of mass gatherings.

The scientific planning committee has reviewed all disclosed financial relationships of speakers, moderators, facilitators, and/or authors in advance of this CPD activity and has implemented procedures to manage any

2. To provide the participant with knowledge on the latest developments, recent evidence and best practice in the fields of fields of disaster medicine, infectious disease and trauma surgery in the context of pandemic mitigation.

3. To provide the participant with professional education activities to enhance their knowledge of the latest

- initiatives and programs from the MoPH, and other stakeholders in local pandemic mitigation, trauma systems and mass gatherings. 4. To recognize, celebrate and showcase the frontliners, success and lessons learned from the national COVID-19
- response of Qatar and other countries.
- Day 1: Thursday, 21 January 2021 9am to 5pm

Pandemic Mitigation and Control [PMC] - Global Best Practice for PMC

Learning outcome: After participating in this track, the audience will be able to describe the best practice and lessons learned from experts in pandemic mitigation and control, from Qatar and

worldwide. Invited speakers will share their experience and best practice in health communication, lockdown, mass testing, contact tracing, vaccine development and responses for manpower, infrastructure, mental health and ICU management.

Track 1:

9am to 9.30am	Opening Ceremony
9.30am to 1pm	Prayer, Virtual Break/ Visit Exhibits and Poster Exhibits
Session 1	Moderator: Dr. Mohammed Al-Hajri
1pm to 1.30pm	Title 1: Public Health and COVID 19: The New Challenges - Dr. Mohammed Hamad J. Al-Thani
1.30pm to 2pm	Title 2: Informing Public Health Policy within the Evolving Scientific Understanding of the Covid-19 Pandemic: The experience of Qatar - Dr. Roberto Bertollini
	Q & A Session
Session 2	Moderator: Mr. Brendon Morris
2pm to 2.30pm	Title 3: Scaling up the Response: Manpower, Health Facilities Infrastructure, Critical Services, Forward Hospitals /Clinics, Additional Supplies and Upgraded Clinic Facilities/Equipment - Dr. Muna Al Maslamani
2.30pm to 3pm	Title 4: Building Capacity of COVID19 Frontline Health Workers – Dr. Hamid Ravaghi
	Q & A Session
Session 3	Moderator: Dr. Warda AlSaad
3pm to 3.30pm	Title 5: Communicating in a Crisis: Lessons from COVID-19 - Mr. Robert John Checketts
3.30pm to 4pm	Title 6: Risk Communication: How it Can Prevent a Crisis - Ms. Sheena McCabe
	Q & A Session
Session 4	Moderators: Dr. Mohammed Al-Hajri , Dr. Sayed Mohamed Himatt
4pm to 5pm	Panel Discussion (1): Global Prospective for the Prevention of Infectious Diseases Associated with Mass Gathering in Preparation for the World Cup 2022: What We Learned from COVID 19 Pandemic? - Dr. Hamad Eid Al-Romaihi, Amaia Artazcoz Glaria, Dr. Lucille Blumberg, Dr. Dalia Samhouri
	Q & A Session
	Q & 7/36331011

their experience and best practice as they resumed sporting and mass gatherings in the various disciplines of Football, Basketball, Baseball, Cycling, Tennis, Formula 1 Racing, Golf, the Olympics

9am to 9.30am Opening Ceremony

and others.

9.30am to 1pm	Prayer, Virtual Break/ Visit Exhibits and Poster Exhibits
Session 1	Moderator: Dr. Muayad Khalid
1pm to 1.30pm	Title 1: COVID19 and Global Health Security: do mass gatherings matter? - Dr. Maurizio Barbeschi
1.30pm to 2pm	Title 2: Recommendation for a Mass Gathering Planning in the Context of the COVID19 Outbreak - Dr. Hamad Eid Al-Romaihi
	Q & A Session
Session 2	Moderators: Dr. Elmoubasher Abu Baker Abd Farag, Mr. Shariq Jaffrey
2pm to 2.20pm	Title 3: Community Participations during COVID 19 Pandemic: An experience from Oman Dr. Salah Al Awaidy
2.20pm to 2.40pm	Title 4: Influenza Pandemic Preparedness in the Context of Mass Gathering Dr. Abdinasir Abubaker
2.40 to 3pm	Title 5: Community engagement: The role of volunteers in pandemic and mass gathering – Mr. Jerome Gonzaga Oquiana
	Q & A Session
Session 3	Moderator: Dr. Mohamed Nour
3pm to 3.30pm	Title 6: Novel Respiratory Viruses in the Context of Mass Gathering Events: A systematic review to inform event planning from a health perspective - Dr. Jamie Ranse
3.30pm to 4pm	Title 7: Promoting Healthy Behavior that Reduces the Spread of COVID-19 in Mass Gathering Events - Prof. Susan Goldstein
	Q & A Session
Session 4	Moderators: Dr. Mohammed Al-Hajri, Dr. Sayed Mohamed Himatt
4pm to 5pm	Panel Discussion (1) Global Prospective for the Prevention of Infectious Diseases Associated with Mass Gathering in Preparation for the World Cup 2022: What we learned from COVID 19 Pandemic? - Dr. Hamad Eid Al-Romaihi, Amaia Artazcoz Glaria, Dr. Lucille Blumberg, Dr. Dalia Samhouri
	Q & A Session
	End of Day 1 Thursday, 21 January 2021
Day 1: Thursda 9am to 4.30pr Track 3:	Post-Pandemic Trauma Systems - Global Responses to COVID-era Trauma
	Learning outcome: After participating in this track, the audience will be able to describe the best practice and lessons learned from experts in pandemic trauma and emergency care, from Qatar and worldwide. Invited speakers will share their experience and best practice in post-pandemic trauma care in the pre-hospital setting, in the operating room, in the ICU, by type of injury, for mass casualties and for trauma research and injury prevention.
9am to 9.30am	Opening Ceremony
9.30am to 1pm	Prayer, Virtual Break/ Visit Exhibits and Poster Exhibits
Session 1	The Post-pandemic Trauma Center
	Moderator: Dr. Sandro Rizoli, Qatar and Dr. Temur Baykuziyev, Qatar
1pm to 1.12pm	Title 1: Post-pandemic Pre-hospital Trauma Care in Qatar – Dr. Nicholas Castle
1.13pm to 1.25pm	Title 2: Trauma and Orthopaedics in the COVID-19 Pandemic: breaking every wave - Dr. Dave Lee, Singapore
1.26pm to 1.38pm	Title 3: The Impact of SARS-CoV-2 (COVID-19) Pandemic on Trauma Bay Management and Guideline Adherence in a European Level-one Trauma Center – Dr. Roman Pfeifer, Zurich,

Switzerland

1.39pm to 1.50pm	Title 4: Post-pandemic Traumna Care: what do we need to do differently? – Dr. Christine Gaarder, Norway
1.51pm to 2.03pm	Title 5: Maintaining Trauma Center Access and Care during the COVID-19 in Qatar-Dr. Sandro Rizoli, Qatar
2.04pm to 2.16pm	Title 6: testing for COVID-19 is Essential to Protect Trauma Centers – Dr. Parker Hu, USA
2.17pm to 2.30pm	Open Discussion and Q&A
Session 2	Post-Pandemic Trauma Care and Education
	Moderator: Dr. Ruben Peralta, Qatar and Dr. Temur Baykuziyev, Qatar
2.30pm to 2.45pm	Title 7: Post-pandemic Virtual Trauma Care and Education - Dr. Antonio Marttos, USA
2.45pm to 3pm	Title 8: Distanced Delivery of the ATLS Course: what to expect - Dr. Sharon Henry, USA
3pm to 3.15pm	Title 9: Maintaining Trauma Care Access During the COVID-19 Pandemic: an urban, Level-1 trauma center's experience- Dr. Julia Coleman, USA
3.15pm to 3.30pm	Open Discussion and Q&A
Session 3	Keynote Lectures: The Trauma Center Pandemic Response
	Moderator: Dr. Ruben Peralta, Qatar and Dr. Temur Baykuziyev, Qatar
3.30pm to 4pm	Title 10: Lessons from Doha - Dr. Hassan Al-Thani, Qatar
4pm to 4.30pm	Title 11: Lessons from Seattle - Prof. Eileen Bulger, USA
4.30pm to 5pm	Title 12: Recommendations for Trauma Surgery Preparation during Times of COVID 19 Infection - Dr. Raul Coimbra, USA
	Q & A Session
	End of Day 1 Thursday, 21 January 2021
Track4:	Post-Pandemic Research - Abstract and Poster Presentations Learning outcome: After participating in this track, the audience will be able to describe the
	Learning outcome: After participating in this track, the audience will be able to describe the best practice and lessons learned from researchers in the fields of infection control, pandemic mitigation and control, preparation and management of mass gathering events and pandemic trauma and emergency care, from Qatar and worldwide. Invited researchers will share their
0	methods, results, findings and recommendations in video, oral and poster presentation formats.
9am to 9.30am	Opening Ceremony Prayer Virtual Brook / Visit Exhibits and Bostor Exhibits
9.30am to 1pm	Prayer, Virtual Break / Visit Exhibits and Poster Exhibits
Session 1	Abatua at Oual Dua contations
	Abstract Oral Presentations

Title 14: The Post-Pandemic Epidemiology of Trauma in Qatar – Dr. Rafael Consunji, Doha, Qatar

Title 16:Tube Thoracostomy during the COVID-19 Pandemic: guidance and recommendations from the AAST Acute Care Surgery and Critical Care Committees – Dr. Christopher Michetti,

Title 17: Open Tracheostomy for COVID-19 Positive Patients: A method to minimize

Moderators: Dr. Ruben Peralta, Qatar and Dr. Mohammad Muayad Kasim, Qatar

Title 18:Platelets in Trauma - Bricks on a Breached Wall - Dr. Sandro Rizoli, Qatar

19Treatment Facilities- Dr. Tulika Mehta Agarwal, Clinical Psychologist, Trauma Surgery

Moderators: Mr. Massimiliano Montanari, Dr. Walid AbouGalala

Moderators: Dr. Gustav Strandvik, Qatar and Dr. Mohamed Nasr, Qatar 9am to 9.15am Title 1: Impact of Shelter-in-Place Order for COVID-19 on Trauma Activations: Santa Clara County, California – Dr. Joseph Forrester, USA 9.15am to 9.30am Title 2: Performing Tracheostomy during the Covid-19 Pandemic: guidance and recommendations from the critical care and acute care surgery committees of the AAST - Dr. David Spain, USA

> Covid-19: Trauma Staff Experience and Psychological Implications Moderators: Dr. Vishwajit Verma, Qatar and Dr. Mohamed Nasr, Qatar

10.15am to 10.30am Title 5: De-briefing Session with Trauma Physicians and Nurses Following Deputation to Covid-

10.30am to 10.38am Title 6: Experience of an Asymptomatic COVID-19 Positive Trauma Nurse - Mr. Brahim Aithsain,

injury, for mass casualties and for trauma research and injury prevention.

Post-pandemic Changes in Trauma Management

Charge Nurse, Trauma Resuscitation Unit 10.39am to 10.50am Title 7: COVID-19 Stress and Experience as a Head Nurse In Trauma Surgery Unit - Mr. Amer A. Abualjoud, Head Nurse, Trauma Surgery Unit

1.15pm to 1.30pm Title 10:Trauma System Development Resources: American College of Surgeons Committee Trauma (ACS COT) Roles – Dr. Saud Al-Turki, KSA 1.30pm to 1.45pm Title 11: Communication During Disaster – Dr. Hakim El-Kholy, Egypt	1pm to 1.15pm	Title 9: MCE in Beirut. Lessons learned from the August 2020 explosion. Management tips - Dr. George Abi Saad, Lebanon
1.30pm to 1.45pm Title 11: Communication During Disaster – Dr. Hakim El-Kholy, Egypt	1.15pm to 1.30pm	Title 10:Trauma System Development Resources: American College of Surgeons Committee on Trauma (ACS COT) Roles— Dr. Saud Al-Turki, KSA
	1.30pm to 1.45pm	Title 11: Communication During Disaster – Dr. Hakim El-Kholy, Egypt

The Changing Epidemiology of Covid Era Trauma

Pandemic - the Philadelphia story- Dr. Zaffer Qasim, USA

ACS Mena Session 1 – Post-pandemic Trauma Management

2.45 to 3 pm Open Discussion and Q&A Covid Precautions in the Trauma ICU and Operating Theater Moderators: Dr. Husham Abdelrahman, Qatar and Dr. Mohammad Muayad Kasim, Qatar 3pm to 3.15pm Title 15: How are Trauma Surgeons from Around the World Changing their Post-pandemic Practice? Findings of a Weekly Virtual Forum - Dr. Antonio Marttos, USA

aerosolization and reduce risk of exposure- Dr. Rifat Latifi, USA

State of the Art Trauma and Critical Care Hematology Lectures

Title19: Transitioning to PCC/FC for bleeding patients - Dr. Jeannie Callum, Ontario, Canada 4.20pm to 4.40pm Title 20:The [Emerging] Role of Plasma for COVID, Hemorrhagic Shock, TBI and Sepsis – Dr. John 4.40pm to 5pm Holcomb, USA

5pm to 5.20pm	Title 21: The Role of tPA COVID-19 ARDS - Dr. Ernest Moore, USA
5.20pm to 5.30pm	Open Discussion and Q&A
Session 7	Plenary Lecture
	Moderators: Dr. Hassan Al-Thani, Qatar and Dr. Mohammad Muayad Kasim, Qatar
5.30 to 6.00 pm	Title 22: The Post-pandemic Trauma Center Verification Process - Prof. Eileen Bulger, USA
	End of Day 2 Friday, 22 January 2021
Day 2: Friday, 3 9am to 11pm	22 January 2021
Jani to Tipin	
Aspetar Track	Sports Medicine
	Learning outcome: After participating in this track, the audience will be able to describe the
	best practice and lessons learned from experts in sports medicine, from Qatar and worldwide. Invited speakers will share their experience and best practice in preparing individual athletes,
Construit d	sporting teams and event staff for major sporting events in post-pandemic times.
Session 1	Football Moderator: Dr. Ian Beasley
9am to 9.12am	Title 1: Containing COVID-19 and Playing on - different approaches from across the globe – Dr.
	Ian Beasley
9.13am to 9.24am	Title 2: The QFA COVID-19 Testing Program; Adapting Competition to New Circumstances - Dr. Khalid Hassoun, Dr. Yorck Olaf Schumacher
9.25am to 9.36am	Title 3: Experiences of Medical Coverage at the FIFA World Cup 2018 - Dr. Celeste Geertsema
9.36am to 9.48am	Title 4: COVID Implications on Injury and Illness in the QSL - Dr. Karim Chamari, Dr. Montassar
	Tabben, Dr. Roald Bahr
9.48am to 10am Session 2	Q&A Session Athlete Preparation
Jession 2	Moderator: Dr. Louis Holtzhausen
10am to 10.15am	Title 5: What makes Athletes Special? - Dr. Liesel Geertsema
10.15am to 10.30am	Title 6: Competing at Major events; How Athletes and Support Staff Prepare - Dr. Marco Cardinale
10.30am to 10.45am	Title 7: Preparing Event Medical Cover for Athletes: the IAAC WC Experience - Dr. Louis Holtzhausen
10.45am to 11am	Q&A Session
11am to 1pm	Prayer, Virtual Break and Exhibits
	22 January 2021
Day 2: Friday, 2 1pm to 4pm Track4:	22 January 2021 Post-Pandemic Research – Abstract and Poster Presentations
1pm to 4pm	Post-Pandemic Research – Abstract and Poster Presentations Learning outcome: After participating in this track, the audience is will be able to describe the best practice and lessons learned from researchers in the fields of infection control, pandemic mitigation and control, preparation and management of mass gathering events and pandemic trauma and emergency care, from Qatar and worldwide. Invited researchers will share their
