EuSEM Refresher Course II
A Symptom-based Approach

17 – 20 October 2013
University of Turku, Finland

European Society for Emergency Medicine
Young Emergency Medicine Doctors Section & Education Section

Dear young European Emergency Medicine Physician,

The EuSEM Young Emergency Medicine Doctors Section and the EuSEM Education Section are pleased to invite young doctors (< 35 year old) from all European countries to Turku, Finland for the 2nd EuSEM Refresher Course.

Building on our successful Refresher Course 1 last year in Berlin we decided to use the European curriculum as a framework for our courses and focus on a system-based approach. Our themes for this year are 'Acute Abdominal Pain', 'Altered Level of Consciousness' and 'Analgesia and Sedation in Adults and Children'.

We will have lectures from high-level experts from all over Europe and many interactive workshops!

We hope to see you in Turku!

The Organising Committee,

Maaret Castren
Roberta Petrino
Pieter Jan Van Asbroeck
Lisa Kurland
Marjo Heikkilä
