

Toastmasters Speechcraft™ Program

ADVANCED PRESENTING COURSE

09.00 - 09.30	Opening and Introduction
09.30 - 10.00	Module-1: Not Another Boring Presentation & Creative Topics Speechcrafters will learn how to grab attention with presentations using the Toastmasters knowhow.
10.00 - 10.30	Module-2: Anatomy of Speech & Slide Skeleton This module focuses on how to write a speech that conveys a message and on methods learners can use to prepare for their presentation.
10.30 - 11.00	Module-3: Art of Feedback & Science of Evaluation Feedback is core to communication, learning, and leadership. This module focuses on how to receive an evaluation and how to share supportive, effective feedback with others
11.00 - 11.20	Speechcrafter's Preparation Time (Ice Breakers)
11.20 - 12.00	Practice: Speech Delivery & Feedback
12.00 - 12.30	Module-4: Purpose Awareness & Audience Check As speechcrafters write and deliver speeches, the focus of the Speechcraft program shifts to the higher-level skills required to succeed as a communicator and speaker.
12.30 - 13.00	Module-5: Wording Power & Strong Visuals This project emphasizes the importance of word choice when delivering a message. Practice includes understanding how to identify and deploy powerful language to move an audience to action.
13.00 - 13.30	Lunch Break
13.30 - 14.00	Speechcrafter's Preparation Time (Writing a Speech with Purpose)
14.00 - 14.30	Practice: Speech Delivery & Feedback
14.30 - 15.00	Module-6: Body Talks & Stage Use Another step to refining public speaking skills is to understand the impact of movement, gestures, and facial expressions on the effective delivery of a speech.
15.00 - 15.30	Module-7: Vocal Cords in Actions This project includes information on how to use voice and presence to support the successful delivery of a message to an audience.
15.30 - 15.50	Practice: Speech Delivery & Feedback
15.50 - 16.00	Closing & Certificate Ceremony
